

Filling the hungry with good things Luke 1:53.

April 2023.

Dear Praying friends,

Greetings in the name of our risen Lord. As we reflect on the resurrection of Jesus Christ, my thoughts were led to the time when Mary magnified her God and Saviour. The little phrase in the heading of this letter tells many a story of God's amazing Grace in giving us His only son. This unique heaven sent Son of God has the exceptional capacity to satisfy all the aspirations of the souls of man. The three specific needs that is in the heart of every man can be met by the Living Lord. In our hunger for forgiveness, He says: Mark 2:5.. Son, thy sins be forgiven thee. In our hunger for a friend, He says: Hebrews 13:5... I will never leave thee, nor forsake thee. In our hunger to know what the future holds, He says: John 10:28... I give unto them eternal life; and they shall never perish, neither shall any man pluck them out of my hand. Wonderful promises! Wonderful Jesus Lord Savior and God ! May this wonder fill us all with awe to worship and humility to bow to His will and be obedient servants to the cause of His glorious gospel.

We praise the Lord and pray for the different ministries of our church.

- WOW Club is the weekly children club meeting every Saturday morning. We roughly have an average of twenty children in attendance.
- pray for our "Youth Alive club " that meets every fortnight. When these high schoolers meet many challenges daily, pray that they may grow in the grace and knowledge our our Lord Jesus Christ.
- Our ladies fellowship as they study the word regularly. Most of them are mothers and grand mothers that they may be godly women influencing the younger generation in being Christlike.
- Our special meeting with emphasis on evangelism coming up Sunday 23rd April 2023 at 4 pm local time ( 8 am E.T).
- Keep in prayer two of our men: Michel Bothe and Steeve Gregoire who are being groomed to the office of Elders. Pray for their respective spouses: Cessna and Laura.

Our health is stable. As thy days so shall be thy strength is a constant reminder that we run on dependence on the grace and provision of a good Heavenly Father. Both of us were down with Covid again, my wife lost her taste and smell for a few days. Thankfully, we are up ; but the weariness lingers. I am thankful for the two other elders in the persons of Gilbert and Pascal who are such a help in sharing the weight of the ministry.

There is a lot of unrest in our society. The prime minister has declared in a speech that the mafia has infiltrated all our institutions. The common man on the street says : the Devil is ruling. The rumors of corruption in high places are running freely. Drugs are causing havocs in our youth. The cost of living is getting higher and higher. The price of gas is about eight dollars for a gallon. While all these things are going on, we rejoice that the Holy Scriptures give us the assurance that our great God is always one step ahead of all human conniving.

Dear praying friends, we are grateful for your God given interest in our ministry. Thank you for your faithful support and prayer. May we all keep ourselves in such a way that nothing in us will be an impediment for the Lord Jesus to fill the hungry with ALL HIS GOOD THINGS. Happy Resurrection Sunday to you all

Your Missionaries, His servants for His glory,
