

.. a mountain where Jesus had appointed them. Matthew 28:16...
July 2023.

Dear Praying friends,
Greetings in the name of our Lord and Savior Jesus Christ.

We all have a mountain yet to climb. The resurrected Lord had yet a mountain for his disciples to climb before his ascension to heaven. Regardless of the difficult nature of the incline, it must be noted that it was a mountain that the Lord had designed for them. Can you see how this mountain was: 1. A mountain of education; 2. A mountain of empowerment. 3. A mountain world evangelism? The disciples needed to be convinced men, doubts needed to be removed, so He brought them to a mountain of education (v.17-18; 20b; Acts 1:3). They needed to be strengthened, so He brought them to a mountain of empowerment (Acts 1:8). They needed to be occupied till He returns so He brought them to the mountain of world world evangelism. Mountains speak to us as treacherous and hazardous living. But, as it was said of old, "... O great mountain.....thou shalt become a plain" (Zechariah 4:7). God's men are mountain men. Mountains can be overcome. One word suits best God's mountain men, if we so choose to be: Grace.

The Lord willing before the end of this year we shall move to our new church building. Sometimes ago, we were used of the Lord to lead a young man to faith in Christ. Grace was so wonderful to this young man that ever since that time he was impressed of the Lord to give God back of the many blessing he has received. The gift came to us as a church building which he has built with his own hands. Not one cent was disbursed by the church for this venue. Pray with us that the plan to move in by the end of October that all will be to the glory of God our Father and the praise of our Lord and Savior, Jesus Christ.

Pray with us as we plan a visit with our son and his family in Florida as from the 8th of November. We (at least me) have never seen the grand children on the northern hemisphere. My grand daughter, Evangeline, who is now six, was very disturbed that I may die and she does not even know me. This broke my heart. Please pray that our time in the States will be a time of making fond memories

Our church holds evangelism meeting every third Sunday of every month and this past July four teenagers trusted Christ as personal Savior after the preaching of the Gospel message. One of them has asked for believer's baptism. Pray with us for their spiritual growth in the knowledge of Christ.

There are more and more restrictions on our democratic liberties here. Pray that regardless of the difficult situations that arise for evangelism, that the victory Baptist church will stand true to her calling to win souls and that the gospel will always have an open door here on our island.

Dear praying friends, how we thank the Lord for the partnership that we have with you. Again, we want to express to you our gratefulness to your faithful support in our ministry. Thank you for your prayers and letters they are well appreciated.

"O to grace how great a debtor!" O may this grace command a constraint upon all our lives to thrive as God's mountain men and woman.
