

# Merry Christmas

... He shall be glorified unto the ends of the earth... Micah 5:4  
December 2024.

Dear Praying friends,

Micah speaks of our Lord Jesus Christ the everlasting king as being one that shall be greatly glorified unto the ends of the earth. The prophet sees Him as coming from of old, from everlasting. He sees Him as being rightly connected with the prophecy of Genesis 3:15. At his birth The shepherds found him as Savior, and the wise men found him as sovereign and Lord. There is more to Christmas than a baby in a manger. As we reflect on this festive season, may none of us miss the fact that the baby in a manger carries the promise of an everlasting Sovereign Lord who shall be glorified unto the ends of the earth. Dear praying friends, let us make it our prayer that Christ will be glorified as Sovereign Lord in our lives, our churches and our homes.

We are blessed to have a family that is closely knitted in the bond of fellowship of the gospel. This is the time when our hearts miss our children, Lionel and Grace and the four grand children, who live in the States. Please, keep them in your prayers. We are looking forward to a blessed time of togetherness in singing the praise of our great redeemer King and the finest Mauritian food.

Our move to a new location as a church has been hindered by two cyclones at two different times. Praise be to God , We are getting closer and closer to make the move shortly. Pray that the Lord in His wisdom will meet our needs for chairs, a generator, water tank and some men of goodwill who will work on the parking area help to finish all the little projects to finalize the move. Keep praying for the work. We praise the Lord for growth. The growth confirms Sunday after Sunday that the move is ripe.

Dear praying friends, our hearts are full of gratitude for all of you who have faithfully supported our ministry here over the years. Thank you. May the Lord continue to bless you and may the coming year be the year that the Sovereign Lord be exalted in the fullness of His glorious second coming. As we wait and live in the light of that blessed Hope, we wish you all a blessed Christmas.
