

The Grove Family to New Zealand

Early October Update 2009

Unexpected Blessings!?!

We wanted to send out an update to let you, our faithful prayer partners know about some exciting things that happened. As I wrote the title "Unexpected Blessings", it occurred to me that maybe those two words ought not be in the same sentence! If we are praying for God to provide our needs and get us to New Zealand as quickly as possible we should not be surprised when He answers our prayers! But I must admit, the methods He uses are often unexpected!

Stephen and I were on the ferry between Cedar Island, NC and Ocracoke headed out to the Cape to pick up Nancy and Kelly. A couple came to our van to ask about our Missouri license plate and our Baptist Missionary Transportation Ministry sticker. Turns out they were Christians from Springfield, MO. They wanted one of our prayer cards, said they would pray for us, and asked if it would be OK to send a gift to our mission board address. A week or two later we found out that they had sent a sizable gift to our account! It is good to know that God knows what you need before you need it!

God continues to bless as we are in Florida. Not only do we have a nice guest house to stay in (in one place for 9 days!), but love offerings have been amazing and God has provided more meetings to fill our schedule. I have updated our itinerary to show the new meetings the Lord provided in New Hampshire.

Thank you for your prayers! We continue to seek opportunities to see souls saved and people fired up for reaching the lost. Please continue to pray that churches in America will see growth in their missions giving so that the many missionaries on deputation can get to the fields that are white to harvest.

In His Service,

Mike Grove and family
