

The Grove Family to New Zealand

November 2009 Newsletter

“Commit thy way unto the Lord, trust also in Him, and He shall bring it to pass.”

Psalm 37:5

As we made our way North through beautiful eastern Pennsylvania, little did we know the blessings God had in store for us in New Hampshire. Our decision

to change our plans and drive from NC to New Hampshire for one Missions Conference turned into TWO Missions Conferences and two other meetings! While we did what we could to encourage the churches in the area of missions, we were blessed by the people's generosity and desire to make us feel special. In addition to having the privilege of preaching, sharing the gospel and sharing our burden for New Zealand, we had the opportunity to visit old friends and make new ones. The fall colors were spectacular and we were able to spend one afternoon walking the paths our founders walked in downtown Boston.

In the midst of a wonderful opportunity to visit the New England area for the first time in our lives, we were excited to hear that two new churches had taken us on for support. Trinity Baptist in Wilson, NC and Shenandoah Baptist in Cleveland, TN committed to support us in our desire to get to New Zealand. Our support level is moving toward the 25% mark and we are praying that more of the churches we have visited over the last year will be able to join our team. We know that these churches are being wisely cautious about over committing in these uncertain economic times, but we are encouraged that they have not forgotten us!

We have had several great meetings in PA over the last two weeks including a wonderful Missions Conf. at Emmanuel Baptist in Mechanicsburg, and a snow-free trip to Buffalo, NY. We look forward to spending Thanksgiving with family. Thank you for your continued prayers.

In His Service,

Mike Grove and family
