***“I being in the way, the Lord lead
me...”***
Genesis 24:27

Summer is flying by as we have been visiting churches in the East. In early June we had a good meeting in Greenville, SC, then an exciting week of helping with VBS at a church in Rock Hill, SC. What a great time of seeing the church throw themselves whole-heartedly into reaching out to the children in the community – showing them the love of God as well as the joy that we can have as Christians. Several children accepted Jesus as their Savior during the week!

With June being a slow month for meetings, we spent some time at our Mission headquarters, visited some churches we have been trying to contact, and then went on to our Mission Board's family week in New Bern, NC. It was good to see old friends, meet some new ones, and be challenged by some excellent preaching on the life of the great missionary, Paul.

From NC we went to central PA to stay with parents and go to meetings in Maryland and PA. We had the privilege of being in the church of Pastor Jack Palmer, my pastor during high school. Often I give testimony of how my parent's training kept me “in the way” to being usable for God. Pastor Palmer was another key part of the training. God led him to start a Christian school at our home church, an opportunity to have the positive influence of christian friends and daily teaching from God's Word.

We continue to pray that God will provide the funds to be able to go to New Zealand this fall. Thank you to those who are already helping us! We still need to sell our house in Kansas City and/or see our support level increase by \$1,800.00. One church recently took us on for support after deciding as a church to forgo fellowship time at a local restaurant once a month, using that money instead to support us! What a blessing to us! We just need 18 more churches to do something similar!

What part can you have in the effort to get the Gospel to those who are lost, before it is too late?

In His Service,

The Grove Family
