

Grateful Greetings!

from the Grove Family to New Zealand

November 2016

But the LORD is the true God, he is the living God, and an everlasting king: at his wrath the earth shall tremble, and the nations shall not be able to abide his indignation. Jeremiah 10:10

As we look around, we definitely see the Creator trying to get our attention! If the beauty of Spring does not wake people up to the Truth of the Creator, maybe a little shake will do the job! Please pray for the people of New Zealand, not only as they recover from the latest earthquake damage, but also that they would be awakened to the power and love of our God and Saviour.

This will just be a quick update on the past month's activities. Teen camp was a great success. We had twice as many teens this year, the location was great, and God

even kept the rain away when we had outside activities planned. The best news was that one young man accepted Christ as his Saviour during the week. Please pray for Dean's spiritual growth.

Our regular activities continue to go well.

Please continue to pray for the Bibles in Schools, Blast club, and for our community in general. We have been advertising our up coming "Your Family Matters" Conference and would like to see many from the community attend. Pray that people will be prompted by the Holy Spirit to WANT help and be willing to

listen to Biblical counsel. Raising godly children in an evil, dark world is not easy and it will not happen without parents willing to seek God's advice and apply it.

I did manage to get out fishing for the first time in a long time. Enjoyed eating this nice rainbow trout, not too big, but my first trout big enough to bring home. The great thing about fishing in NZ is the beauty of the country – every direction you look is fit for a

post card.

Thank you for your prayers and support as we continue to fish for souls. Until next month....

Serving together with you,

Mike and Nancy Grove
