

Dear Friends and Family,

We trust this letter finds you all happily preparing for the Christmas Season. In what ways have you been able to share the Gospel with others? Christmas opens the door to many opportunities!

We want to take this opportunity to wish you a Merry Christmas and to say "Thank You!" for your continued prayers and support.

Below are some pictures of our ongoing ministry opportunities, made possible by your continued faithfulness. From left to right: 1) Christmas service at a country chapel with students from one of our "Bibles in Schools" locations; 2) Nancy's Mom and Dad preparing New Testaments for our students moving up from primary school; 3) Family Conference opening service with a team from our home church; 4) Nancy teaching the Christmas story; 5) Heather and Duncan preparing the craft – mangers and crosses.

May God Bless you all!

*Mike and Nancy Grove
