World Wide New Testament Baptist Mission

POB 725

Kings Mountain, NC 28086

July – August - September 2006

Dear Friends,

Paul states in Rom. 1:14 “I am a *debtor...*”. In 1:15 “I am *ready...*”, and 1:16 “I am *not ashamed...*”. That is our testimony and commitment!! The ministry this summer was quite interesting. Most Pastors do not want summer Missions Conferences, because their people are so scattered with vacations and summer activities. The Christian Schools and Christian Colleges are on summer break, so your ministry becomes varied, and quite unique. Of course, missions is always a part of our preaching, because we are a *debtor*, and we are *always ready to preach*, and we are *not ashamed* of missions.

There were a couple of special services, along with the regular preaching services. One was the Military Appreciation Sunday at Tabernacle Baptist Church in Candor, NC. I had the privilege of recommending the main speaker, Major Al Roberts, USAF (active duty.) It was a joy to be a part of that service. Brother Michael Free is the Pastor there at Tabernacle.

The other special and unique service was Christian Heritage Sunday at Bethel Baptist Church in Hampton, VA, with Pastor Lloyd Donica. Every summer, in July, they have this Christian Heritage Sunday and this year it was on Missions. What an honor and a challenge to present the history of missions. This was my first time to devote three services just to the “Timeline of the History of Missions.”

UPDATE

1. Norma had a good summer. However, just recently there has been a set back in her physical problems. Please keep her before the Throne of Grace. It is very discouraging for her, when these set backs occur.
2. PRAISE THE LORD!!! The construction has actually begun on the Lighthouse Baptist Church property in Guam!!! After years of prayer, planning, and giving the initial work has begun. DUE TO SOME UNFORSEEN SITE PREPARATION PROBLEMS THERE HAS BEEN A SIZABLE INCREASE IN THE COST OF CONSTRUCTION. Would you pray about the possibility of helping with these added costs?????
3. We will be visiting Colleges in the month of November, so please pray for these contacts with young people.
4. We had great meetings during September in Florida and Alabama.
5. Pray for Laborers!!! There is so little interest in Missions in many of our fundamental Churches. The old flame of yesteryear is flickering out!!

Yours in His Service,
Dalton & Norma Heath
