

FOR unto us a Child is BORN. unto us a Son is Given.

December 2007

Christmas Greetings from the Heaths!!
"From our house to your house"

Isaiah 9:6 "For unto us a child is born, unto us a son is given:...."
John 3:16 "For God so loved the world, that he gave his only begotten Son,...."

Dear Friends,

What a precious time of the year!! Giving...Loving...Remembering our Lord's birthday!! Family, friends, fellowship and food. Norma and I remember, well, those lonely Christmases away from loved ones, half-way around the world. Oh, we were in God's will and with His people, but there was still that little lonely spot for home and family. Thank the Lord, we are now able to enjoy these special times here, at home, with family. But, is it not interesting, that now, there is a little lonely spot for those Christmases, of days gone by, on the mission field.

Since we last wrote, Norma seems to be gradually improving. At least, we are not making as many trips to the hospital and emergency room. This bit of good news will certainly make this Christmas very special. We thank the Lord for his grace, love and mercy toward us in these days. We thank the Lord for you dear folk, for your prayers and support, and your love for us. We have been acquainted with so many of you for 40 years. We do not take your friendship and kindness for granted. We have grown with you in the work and ministry of missions. Representing you and your Church in the regions beyond.

We are still in the fight!! Now our ministry is recruitment, mission conferences, college campuses, Christian day schools. Pray that our ministry will be effective among our younger generation. Many Pastors and Churches are looking to World Wide New Testament Baptist Missions as the agency to send their young people through to the foreign field. Because of this, our mission has grown almost 17% in the last two years.

I close with a prayer request that is very dear to my heart. My only brother, Clement Heath, has just learned that he has "Mantle Lymphoma," which is a Non-Hodgkin's Lymphoma. He loves the Lord and has been a faithful preacher of the Word. Would you remember him as the Lord brings him to mind?

Wishing you our Lord's very best,
Dalton & Norma Heath
