**JUNE – JULY – AUGUST 2008**

**Dear Prayer Partners,**

**In 1875 Fanny Crosby wrote the song, TO GOD BE THE GLORY, GREAT THINGS HE HATH DONE. It was not really known here in the States until 1954, when Cliff Barrows introduced it in a crusade in Nashville, TN. IT HAS BECOME OUR THEME SONG FOR THE PAST THREE MONTHS!!!**

1. We had a great family week for WWNTBM in Ocala, Fl., at Memorial Baptist Church. Pastor West and his dear folk treated our missionary family royally. We have had the largest increase in new candidates, in the past two years, that we have ever had in our thirty some year history. WE DESPERATELY NEED YOUR HELP, NOW, TO GET THEM ON THE FIELD.
2. PRAISE THE LORD Norma's surgery went great. The Doctors found that they had to repair more bladder damage than expected. She had the surgery on July 14<sup>th</sup>, and has recuperated amazingly well.
3. The Mission asked me to go to Guam and represent them at the dedication of the new Lighthouse Baptist Church building. This took place on August 3<sup>rd</sup>. What a day of blessing!! The dedication service was held at 3:00 in the afternoon. There were representatives from most of the Independent Baptist Churches on the island of Guam present in the service. The Mayor was there as well as some of the contractors. EVERYTHING IS PAID FOR!!!! (Please see pictures on the back of this letter.)
4. On my way to Guam, I went through Micronesia and spent four days preaching on Pohnpei. I preached six times in four days. What a joy to see old friends, and the work that we started there on the island. PLEASE PRAY FOR MY DEAR FRIEND Pastor Welles. God used him to begin this work back in the late sixties. He is now losing his eyesight and is having difficulty walking. He has been a great soldier of the Cross and it saddens my heart to see him failing.
5. GREAT NEWS FROM OHANA BAPTIST in Honolulu, HI. While I was in the islands the landlord came to the Pastor and asked him if they would like to extend the lease for two years. This was a miracle!!! The landlord had repeatedly said there would be NO extension. Only our Lord can move on the hearts of men this way.
6. Pastor Hurst from Guam (Lighthouse Baptist Church) has not been off island for over six years. He and his wife need \$500.00 per month added support. COULD YOU HELP WITH SOME OF THIS? CONTACT ME AND I WILL CONTACT HIM. (He will be coming to the States on September 2, 2008)

**Yours in His Service,**

**Dalton & Norma Heath**
