**John 11:25** “Jesus said unto her, I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live:”

Dear Friends,

What a glorious TRUTH, not only for Lazarus, but for those of us that wait for His Trumpet. A little over three months ago, we were celebrating His birth. In just a few days from now, we will be celebrating His resurrection, which is the promise of our resurrection, and rapture. And with John, in the Book of Revelation, we say, “**Even so, come, Lord Jesus.**”

Satan has now stepped up his program, with a fervency that we have not seen in this country before: control, in the form of fear and socialism; the world, clamoring for a world global monetary system; the UN, threatening to tax the world on oil, for global warming and consumption; jobs being lost, due to the economy and out-sourcing. Is God in control? YES, HE IS. Is He permitting this to happen? YES, HE IS. Is it putting pressure on our Churches financially? YES, A LOT OF THEM. Does it affect Missions giving? YES, IT DOES. Churches cut back on the regions beyond first, THEN, they eventually economize at home. Let us be sure that we have prayed and scripturally done the right thing before considering the dropping of our missions giving. I KNOW there are times we may have to tighten our belts, but let's not CUT OUT, but maybe TRIM and fine tune. **Ps. 78:19** “**Yea, they spake against God; they said, Can God furnish a table in the wilderness?**” Did God furnish the Table? YES, HE DID.

Thank you for praying for the Heaths. Norma is doing rather well. She still has the problem of two heart valves leaking, which causes shortness of breath at times. The Doctor says they are not far enough along for surgery. Dalton had oral surgery in January and February. He had the last remaining upper teeth removed (7 total). The Dentist recommended that he let the gums heal completely before putting in dentures. Of course, this was not a help in speaking, even though there were two Churches that said, “Come on, we can understand you.” So, I looked and sounded my age! A young fellow, that learned to make dentures in the Air Force, did my upper plate. What a good job!! He is a fine Christian fellow.

Our meetings have been in North Carolina these past three months. We will be moving out to Tenn, K, and NC, beginning this month. Pray for these conferences, as we seek to help our new candidates get support. The Hursts (Guam) still need personal support. They are back on the field, only because the Herchenhahns could not stay longer. The Herchenhahns did a great job there.

Yours in His Service,  
Dalton & Norma Heath
