**Gen. 7:16b “...and the Lord shut him in.”**

Dear Friends,

Don't you like our Lord's security plans for rough times? Noah and his family were passing from the old antediluvian world, to a new start, in a new world still under the curse. When “...the Lord shut him in,” nothing or no one could break the security of that door. Noah and his family could not get out, nor anyone from the outside could get in. So, in these difficult days, remember Who “shut you in”, and Who puts “the hedge about you.” You just keep doing what you are supposed to do, and leave the security to Him.

The month of May we were in meetings in NC. Two of the highlights were Friendship Baptist Church in Raleigh, and Grace Baptist Church in Wilmington, two great ministries both with great heritages of standing for the truth.

In June, we had the privilege of closing out the Faith Promise Missions conference in our home church in Kinston, NC. Our Pastor is a board member with WWNTBM, but he, personally has a great burden for “the regions beyond.” New Testament Baptist Church, not only has faith promise giving, but it also gives a tithe of the church budget to missions. This year, for the first time, our church went over the proposed faith promise goal, on the first day that we took up the promise cards!!! Since then, other cards have come in, and we are beyond the proposed goal. Praise the Lord!!!

Also in June, we had meetings in VA and NC. We had the privilege of being back at Berean Baptist Church, in Boykins, VA, where we had been many years ago. It was a blessing to see that work still standing for the old time Gospel. We were in Victory Baptist Church, in Elizabeth City, NC. **PLEASE PRAY** for Pastor Reggie Parker there at Victory, a great church and a great pastor. He has had over 20 operations on his head to remove Basal Cell Carcinomas. He is almost at the point of saying, “enough is enough.” **PRAY** that the Lord would completely heal him.

In July, we had the privilege of being in more churches in NC and VA. We visited Community Baptist Church in LaGrange, NC, and Swannanoa Heights Baptist Church, near Asheville, NC. Both of these churches are great churches doing a great job for the Lord. We helped Stanley and Marvine Cline with the WWNTBM booth at the Sword of the Lord Conference, at Gospel Light Baptist Church, in Walkertown, NC. What a blessing with the preaching, workshops, and meeting pastors. While there, I had the privilege of preaching at Reedy Creek Baptist Church, in Lexington, NC. Pastor Egbert Craven and I go back to our freshman year at BJU. Then, we went to Grace Memorial Baptist Church in VA. We spoke in their DVBS and three times on Sunday. They have a great ministry, a great pastor, and a new building that is functional and beautiful.

**\*PRAY** for Norma, my wife. Before you receive this prayer letter, she will have had tests in Greenville, NC, on her heart. They are trying to determine if the heart is “mis-firing” its electrical impulses, and causing arrhythmia.

**\*\*PRAY** for our safety as we travel.

**\*\*\*PLEASE** contact us at the address and telephone numbers in the heading, if you wish for us to come and give an update of our ministry, or to be in your Mission's Conference.

Yours in His Service,  
Dalton & Norma Heath
