THE HEATH'S PRAYER LETTER

August – September – October 2011

Dear Friends,

The Apostle Paul expressed our own thoughts, when he stated in Phil. 1:3 **"I thank my God upon every remembrance of you." Whether it was by reflection, or by hearing of the Church at Philippi, his heart was blessed. This Church was the most loving, giving, and faithful Church that Paul wrote about. With that in mind, Norma and I rejoice to hear from and about the good Churches that support us. We, also, have the memories of visits and the fellowship. Thank you and thank the Lord for you!!!**

This has been an extremely busy August, September, and October. In August, we worked hard to move into our old mobile home in Cove City, NC. We had wanted to move back in January 2011, but the young couple living there needed extra time. The husband was preparing for Missionary Aviation. We are in the mobile home now, but still have a lot of renovation to do.

September was completely filled with meetings in NC and GA, with great conferences and one revival meeting.

October was the same as September!! We were in numerous meetings in NC, VA, and Hawaii (this one was by Skype, the free internet video phone). One of our supporting Churches on the Big Island of Hawaii wanted us to give a report and speak during their Sunday morning service. That was my first, but I enjoyed it immensely. I spoke at 5:00PM EDT, and it was 11:00AM in Hawaii.

One of the Mission conferences, here in NC, was held in a Church that is only one year old, what a blessing!! Great Pastor, great church family, and an enthusiasm for missions.

Norma and I, both, have been sick with a very "stubborn bug", but thank the Lord, I am doing better, although Norma is still having difficulty.
