If thou knewest the gift of God...***

**Dear Fellow Laborers:**

Thank you for your faithful prayers and support for us through this past year, and, for most of you, many years!! It has been a joy for us to represent our precious Lord and you dear believers this year. I hope the "manger scene" is not your total concept of who Jesus was and is. Even as a Babe, He was God manifest in the flesh. We are now far removed from His birth, and are very, very close to His second coming!! 2 Peter 3:8 *But, beloved, be not ignorant of this one thing, that one day is with the Lord as a thousand years, and a thousand years as one day.* Isn't it AMAZING that according to God's time, His Son has only been gone just a little over TWO days!! The Psalmist said in Psalm 90:4 *For a thousand years in thy sight are but as yesterday when it is past, and as a watch in the night.* Rejoice in His birth, but listen for the trumpet!! Luke says, "...then look up, and lift up your heads; for your redemption draweth nigh."

Praise the Lord, Norma has improved somewhat and travels with me on short trips. We thank the Lord for the churches that we have been able to help with missions and faith promise conferences. The Lord has helped us, by His grace, to raise funds for special needs with some of our missionaries. World Wide New Testament Baptist Missions has been very careful in their candidate interviews to make sure that our new missionaries are biblically called and like-minded in faith and practice.

We will enjoy the Christmas season with our daughter and son-in-law's family. We love this time of the year!! In your giving, please remember Whose birthday it is. In your giving remember Him and His work that He left for the church to complete.
