**Dear Co-Laborers,**

Some of our churches here in NC were closed for only a month last year, and due to a court order were able to open back up with reasonable guidelines. NOW, we are seeing more churches opening back up after a year of improvising and innovation that has actually expanded their outreach!!! We hear a lot today about the “*new normal*,” the “*old normal*,” and “*What is really normal?*”!!! David stated in the verse at the top what he considered to be his normal. It should be our normal! Hebrews 10:25 says, “**Not forsaking the assembling of ourselves together, as the manner of some is; but exhorting one another: and so much the more, as ye see the day approaching,**” This should be our “normal” as we see **the Day** approaching!! I will admit that we have lost some folks that we may never get back into our fellowship, but my resolve is that I am back, and I plan to remain faithful until He comes back!!!

Mission meetings always slow down from Thanksgiving through the New Year. The meetings are beginning to pick back up as churches get back to their projected schedules. I had two meetings in January, two meetings in February, and four services so far in March. Meetings are already scheduled for April, May, and into the summer!! I praise the Lord for allowing me to preach mission revivals and faith promise conferences and to be used in helping young people to get direction for their future service!

Most of you have received the news of the homegoing of Pastor Bill Wingard. His memorial service was held on March 19, 2021, at Calvary Baptist Church, New Bern, NC. Three hundred ten people were present in the service, and 1,317 logged in online!! What a tribute to a great soldier of the cross. Please be in prayer for Mrs. Wingard!!
