

# Merry Christmas

## Dalton & Brenda Heath Christmas Letter

Dear Fellow Laborers,

Brenda and I pray that you, your family, your church family, and your ministry outreach will be blessed during this Christmas season!! May 2023 be the best year you have ever experienced!!

“HIS PEACE & GOODWILL WAS TOWARD MEN” It has been presented to them; THEY must choose to accept that OFFER.

This has been an extremely busy year for Brenda and me. Someone asked her recently in our home church, “are you enjoying all of the new churches that you are in.” Her reply was, “Yes, but it is the getting there that is the hard part.” The churches that meet her love her and always ask if she is coming with me. We have completed one year and two months of marriage, which has been a wonderful trip. She is a great asset to my ministry!!

I really need your prayers. On Dec. 06, 2022, I gave a presentation on missions at one of my supporting churches in the New Bern, NC, area. After I finished, I was coming down the stairs and either slipped or caught my shoe heel on the tread. I tried to slow my descent with my left hand on the handrail but still wound up on the floor with a huge gash on the back of my head and a closed fracture of the right clavicle next to the shoulder. I went off to Urgent Care, but they called for an ambulance and sent me to the ER. After 12+ staples pulling my scalp back together, a CAT scan, and an x-ray to check my back and ribs, they sent me home. The Lord was so good and merciful!! That fall could have been fatal. It has been a very, very sore trip, but the Lord gives improvement every day!! If the Lord brings Brenda and me to your mind, PLEASE PRAY for us. She has been a great caregiver. The staples come out tomorrow, Dec. 14, and friends say it is “A day that will live in infamy.”

I still have two more speaking engagements before the new year, and by the Lord’s grace, I plan to keep them!! Meetings are really booking up for the new year, which means HE still plans to use us!!

With love from our house to your house,

Dalton & Brenda Heath  
John 3:30 & Col 1:18b
