JULY---AUGUST---SEPTEMBER 2025

Dear Co-Laborers in The Harvest,

These first nine months of 2025 have verified the truth of **2 Tim. 3:1**, “**This know also, that in the last days perilous times shall come.**” It is a troubling scene to watch elected officials advocating violence and anarchy in This Great Country founded upon the Principles of God’s Word. **Prov. 28:5** says, “**Evil men understand not judgment: BUT THEY that seek the LORD understand all things.**” **Luke 21:28** says, “**And when these things begin to come to pass, THEN look up, and LIFT UP your heads; for YOUR redemption draweth nigh.**” PRAY FOR THE PEACE OF AMERICA & THE PEACE OF JERUSALEM!!!

July—August—September have been quite busy!! I preached by “**Live Stream**” to Hilo, HI (**July 13**), and Preached **The 22nd Anniversary** of Landmark Baptist Church in Creedmoor, NC (**July 20**).

I began **August** with a three-day meeting in Easley, SC, closing out a Missions Conference at Morning Star Baptist Church (**Aug. 1-3**). This was a new Church for me!! We had a great time of fellowship with Pastor Leslie Bourdess and his family, and a great Church. They wanted me for the whole week, **but** I was already scheduled to preach the funeral for the wife of a dear Missionary Friend on Monday (**July 28**). I was also scheduled to preach for my Pastor on Wednesday night (**July 30**). That was a busy, busy week!!!

September has been a **Convalescent Month**!! I injured my hip & sciatica nerve while mowing grass at my old home place. No, I **did not** turn over; I was riding “**side saddle**” on the seat, and apparently bruised the sciatica nerve and the muscle in the hip. I am in my 4 ½ week. I am improving gradually each day, but it has been a very agonizing and stressful trip!! Thank The Lord for a Precious Wife. She has done a wonderful, wonderful job of taking care of this elderly missionary!!! I have two meetings scheduled for (**Oct 17-19**) and (**Oct 26**). PLEASE PRAY THAT I CAN KEEP MY APPOINTMENTS!!! Pray for Gabe Eiben, who is back on Pohnpei finishing the repairs on the radio station.

Occupying until HE COMES, (**Luke 19:13**)
