The Greatest News!!! Luke 24:6 “He is not here, BUT is risen:”

Dear Support Team,

Thank you for your love, your prayers, and your giving!! We are still preaching the Good News. Just four months ago, we were rejoicing in the Good News of our Saviour's Birth. Now we are celebrating His victory over Death, Hell, and the Grave!!! Due to recent world developments, we have our ears attuned for the Trumpet and the Shout!!!

**January:** This was my 10<sup>th</sup> year to preach by internet to Grace Baptist Church, Hilo, HI. What a wonderful group of believers and missions givers to the Regions Beyond!!!

**February:** On Feb. 01 and 08, I preached at a Missions Conference in Creedmoor, NC. This was my 11<sup>th</sup> year to preach for them. In 11 years, this small church has given more than much larger churches. They love missions. On Feb. 02, I preached at our Eastern NC Pastors Fellowship on “the lack of laborers.”

**March:** On March 08, I helped Island Road Baptist Church by preaching for them. The Pastor is battling some physical issues that will ultimately cause him to have to retire. He has been a faithful man. They are looking for a young, seasoned fellow who is willing to work bi-vocationally until the church is built back up. On March 15, I preached for my home church while my Pastor was away for a board meeting at Ambassador Baptist College.

**Prayer Needs:** Brother Gabe Eiben was able to be home with his wife and son for Christmas, but he is now back on Pohnpei. His sending Pastor should be on the island very soon to help him renovate the kitchen at the radio station's living quarters.

**April-June** will be very busy for me and Brenda, with meetings to attend. I will be preaching in three meetings.

Please keep me on your prayer list for the possibility of two surgeries coming up. One would be to replace my Aortic Valve in the heart. The second surgery would be to polish my corneas for the second time in 12 years. I will know for certain in the next 3 months.

Brenda and I love the work God has called us to, and we thank you for ALL that you do for us in gifts and notes.

In His Service and yours,  
Dalton & Brenda Heath
