April-May 2009

Dear Co-Laborers in Christ,

Greetings from Canaan Airbase in Jesus wonderful name!

"For all the promises of God in him are yea, and in him amen, unto the glory of God by us." 2
Corinthians 1:20

Amen... a very unusual word... it is transliterated into Hebrew, Greek, Latin, English, and many other languages and has become a universal word. It has become to mean "surely" or "truly", an expression of absolute trust and confidence. To God's promises our response is "amen"! It is even a title of Christ Himself in Revelation 3:14. He is the creator of all things, the author of our salvation, and thus our eternal Amen! This strong affirmation of truth closes out the entire Bible in Revelation 22:21 with ... "The grace of our Lord Jesus Christ be with you all. Amen!"

In late March I went to visit First Baptist Church a supporting church in Alta Vista to share a ministry update and to preach. We had a wonderful service, and that Sunday morning a freshly returned soldier from Iraq trusted the Lord as Savior! That surely made my trip to the mid-west a very special blessing on top of a wonderful time with the dear folks at First Baptist Church! Amen!

In our last prayer letter we told you about a new staff member coming on staff here at Mission Aero. That is Bro. Mark Robertson and his family. They came in and went right to work, and have greatly increased our capabilities here for ministry! What a tremendous blessing they are to us!

In April there was an Alaskan excursion for Bro. Jim Parvis to North Pole, and to Fairbanks, He was there to assist Bro. Earl Malpass with the annual inspections on two aircraft. One of those belongs to Bro. Ronnie Starr. This may become an annual ministry for Mission Aero as that is the crucial time of year in Alaska to get the aircraft through inspection and ready for the intensive summer flying season. What a privilege to be able to help them with their overload. Please continue to pray for the Parvis family for meetings and for additional support.

We have also been busy here at Canaan Airbase. There have been three annual inspections accomplished. One was our Cherokee, another the Cessna 206 from Venezuela, and last week the twin-engine Aztec of Bro. Dave Spangler from the Bahamas. We found quite a few maintenance items that needed attention, and some sheet metal repair for the twin. What a blessing to get these projects completed. Bro. Mark Robertson carried the major portion of the inspections on the Cherokee and Cessna 206 with my assistance. Bro Jim Parvis was back from

Alaska to help with the Aztec and did a great job repairing the sheet metal. We were able to complete the work on the Aztec in four days because we had four experienced mechanics working like there was no tomorrow. Just observing the workings of the team effort gave me much satisfaction, and it would not have been possible to accomplish the work in that time period if even one of us had not been available. We so thank the Lord for sending us the Parvis' and the Robertson's! Please continue to pray that the Lord would open doors for the Parvis family to present ministry, and for the Robertson's to retain their supporting churches.

Other welcome visitors were the Don Wright family, from Wings with the Word. They were passing through, and just in time to help us for a few days while Bro Parvis was in Alaska. Our Lord knows how to put things together! It was really great to see them, and Bro. Don was a real help!

Brother Sam Sanderlin and family arrived in the Cameroon on April 26th, and are getting settled in country and improving their "Pidgin English" for ministry in the town of Ndop. They have already led their first soul to Christ since arriving! Thank you Lord!

We rejoice greatly in the Lord allowing us to have a part in training and serving the missionaries that are using aviation to reach the uttermost parts with the precious gospel of Christ our Savior.

We absolutely cannot thank you enough for your faithful prayers, and for standing with us in this ministry!

The out-look in America is not good, but the up-look is great, so...

Keep Looking Up! AMEN!

Under HIS' Wings,
The Hunts.

"Reaching the world through missionary aviation . . ."
