Dear Co-Laborers in Christ,

June-July 2012

Warmest greetings from Canaan Airbase, home of Mission Aeroservices!

"In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed. But thanks be to God, which giveth us the victory through our Lord Jesus Christ."
1 Corinthians 15:52 Now that is change we can believe in. What a wonderful time for the LORD to return and snatch His' Bride away! The outlook is surely bad, but the up-look is surely good. So, let's keep one eye on the work and one eye on the sky. It could be today!

It is amazing that time flies faster year to year. This year is over half gone already. It seems the busier we are, the faster it goes. We have finished three annual inspections in the last two months, and have started the fourth on Bro. Dave Crispell's Cessna 172RG. We found some wear and tear items on this thirty two year old "bird", and are having to accomplish some engine work, and replace some airframe items as well. He is presently in Alaska helping another of our missionary pilots, Bro. Earl Malpass.

Bro Richard Badgett, South Africa was here again in June, and I gave his son Gordon some initial flight training. We had a great time of fellowship, and he is planning to come next summer to receive training for his pilots license.

Our main hangar is overcrowded!
We sure need more space soon!

This Glasair fuselage was donated and we plan to sell it and add \$\$ to hangar fund!

Hangar Fund Update: We rejoice in what the Lord has brought in so far to replace our destroyed hangars. The donations and offerings continue to flow in, and now add up to \$18,276.00 for which we are most thankful to all who have prayed, and to all who have given. Would you continue to earnestly pray with us for this need?

Other Prayer Requests: > Pray for a man named Chris that I believe is having trouble with demonic oppression, though he wants to be saved, he is having emotional difficulties. Pray that the Lord will give him spiritual discernment.
> Pray for Bro. Seth Canady and family as he finishes his flight training here at Mission Aero and they seek the Lord's direction for their field of service.
> My annual pilgrimage to Oshkosh, Wisconsin is coming up next week for our Missionary Aviation Conference known as the "Meeting in the Air". So pray with us about that and the Wings as Eagles Flight Camp the following week. Pray for the young men that will be there, and for a fruitful time of ministry. > Please remember us before the throne of grace concerning physical and spiritual strength to serve, and souls for our labor.

Keep Looking Up, and Keep On Keeping On Til' the Shout!

Your Missionaries to the Uttermost Parts,

Paul + Jonnie
