Dear Co-Laborers in Christ,

August-October 2014

Greetings from Mission Aeroservices and the Hunts!

And I say unto you, "That many shall come from the east and west, and shall sit down with Abraham, and Isaac, and Jacob, in the kingdom of heaven."

Matthew 8:11 Having just completed a revival here at Calvary Baptist Church with Bro. David Sommerdorf (who preached a series of messages about the three men of God mentioned in this verse), I happened to read this verse today and thought that one day soon Jesus will return with the invitation..."Come and Dine". At the Marriage Supper of the Lamb we will also sit down with Abraham, Isaac, and Jacob. I was also thinking about family and others that we have won to the Lord being there also. What a great time that will be for all of us!

NEWS: > This afternoon I meet a man from the neighborhood named John as he was riding his golf cart around the airfield. He showed interest, so I invited him into the hangar to see the airplanes that I am presently working on. I witnessed to him, giving my testimony, followed with a question, "do you going to church regularly?" John said that he did not, and I asked if he ever considered GOD, to which he replied "Yes". I told him to read the four tracts that I gave him, and told him that he could be saved at any where if he came to the Lord as a sinner, and asked God to save him on the basis of the shed blood of Jesus Christ at Calvary. When we reached his golf cart, I asked if he would like to ask the Lord to save him now. He reached out his hand and took mine saying he would like to do that. We prayed together the sinner's prayer and he accepted Christ. Wow, did that ever make my day! I am still praising the Lord! I will be following up with him.

> Flight Camp was great with 14 campers, and again God so blessed with three surrendering for full time service, one to missionary aviation. > Missionary Michael Goosman, Orkney Islands, Scotland has started his flight training with us. It is a joy to work with him. > We received a large donation that will take care of the engine overhaul on our tractor we mow the airfield with, Thank you Lord!

> We have been asking the Lord to find a new home for our Cessna 206 airplane, and it will soon be going to Mexico to be used in a ministry to remote Indian villages.

PRAYER REQUESTS: > Please continue to pray for our neighbors and friends... Brad and his wife for salvation. > Pray for the staff needs here at Mission Aero. > Pray for Revival in the USA! and KEEP LOOKING UP!
