WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

Dear Co-Laborers in Christ,

JAN-MAR 2015  
missionaero7@gmail.com

Spring greetings to our faithful friends and prayer warriors across the country!

"Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest." Matthew 9:38 **Would you earnestly join the Hunts in prayer for laborers... co-laborers for the work here at Mission Aero?** The need is great, the workload is heavy, and yes, the laborers are few. In fact, I am it, as other co-laborers have come and gone as they felt they were led to do. I would really appreciate you joining with us as we seek His help. You see, I am not a recruiter... and this verse also indicates that I should not be one. I might never come across anyone that I could talk into coming alongside to help; but rather we are admonished to 'Pray ye therefore the Lord'... The Great Recruiter who knows and calls the qualified, and then qualifies those He calls. We're depending on Him as this is His ministry... We just have the blessed privilege to serve our precious Lord here and watch Him do great and mighty things that we knew not. **GOD is Able!**

Wow, It is Spring already! The March winds are in full force here. We usually get March winds in April, and April showers in May, but it seems that we are getting a good bit of both already!

We just finished the annual inspection on Bro. Bob Strom's Cherokee Six. This aircraft is being used to fly Bro. Byron Foxx to meetings across the eastern part of the country. His ministry is Bible Truth Music, and he is heavily involved in the God Bless America Crusades, conferences, and revivals. Bro. Bob Strom and Bro. Seth Canady are involved in flying the aircraft, and it is now based here in New Bern with us. We are staying very busy with aircraft maintenance and flight training.

**PRAYER REQUESTS: > PLEASE REMEMBER THAT HUGE PRAYER REQUEST:** Mission Aero is in need of co-laborers... A FAA Licensed aircraft mechanic (A&P, IA); a FAA Licensed Flight Instructor (CFI, CFII); and a grounds/facility keeper (doesn't need to be licensed, and could be someone retired with income that would not need to raise mission support). **> PLEASE REMEMBER OUR OTHER BIG REQUEST:** We could use a camper or motor home to place on the airport for housing for some of our students planning to come for training.

>>> OVER PLEASE <<<

It could be for as short as a couple of months, or as long as till Jesus comes, or somewhere in between. > Please continue to pray for our neighbors and friends... for Brad and Elaine, for Bill and Rosie, for Bob and Alana, for their salvation... and for other neighbors and business acquaintances as well.

> Again, we ask you to pray for revival in all of our churches; as we so desperately need a fresh vision of why God has left us here on this earth.

> We must be in fervent prayer for our nation... America as we have known it is going to be a thing of the past, and its getting that way quickly... Washington is not the answer, God is! However, we as God's people must vote this time. It has been said that only 25% of the 'evangelicals' voted in 2008. We must vote for a candidate that has our convictions and standards in this election. Our Supreme Court is at stake, and as the court goes, so goes our religious liberty, and the health and vitality of this great nation.

The Great Commission is still great, and He has asked us to "occupy until He comes"! We are reminded of the song... "Lord, lay some soul upon my heart, and love that soul through me, and may I humbly do my best to win that soul to thee".

**KEEP LOOKING UP! PRAY FOR SOULS TODAY!**

Under HIS' Wings,
