WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

Dear Co-Laborers in Christ,

May-July 2017
missionaero7@gmail.com

A warm hello from the field of Missionary Aviation where it has been hot!

"The LORD hath done great things for us; whereof we are glad."

Psalm 126:3

As we have seen the Lord work powerfully concerning helpers for this ministry it has helped us to remember HIS faithfulness and goodness over the years. All of us must slow down sometimes to reflect of God's goodness and supply to His children. We could write a book concerning answered prayer and His watching over us! Time and again, and again, the Lord has proven His faithfulness loving care and help to us. As we have been reminiscing of recent blessings here, it has rekindled a wonderful recollection of so many past blessings as well. In 1980 God moved and provided this airport for His ministry, and in 2000 he provided this house/office on the airport for us, and then the funds to replace two of our hurricane destroyed Quonset hangars. And further back... saving, keeping, calling, providing, using, blessing, and preparing a place for us! Aren't you so glad we have the Lord!... and His watchcare and blessings?

Good News: Especially linked to the above portion of this prayer letter, we have asked you dear folks to pray with us for co-laborers, and it is evident that the Lord is surely working toward that end. We have two part time helpers that have proven already to be a wonderful asset in this ministry!

Bro Earl Malpass, founder of Mission Air Care, a mission aviation helps ministry moved close to New Bern last year. He a well qualified licensed pilot and aircraft mechanic and IA (Inspection Authorization) and we have a great time working on aircraft projects together. He has been such a wonderful blessing to our ministry here.

Bro Jimmy Rouse moved to New Bern from Elizabeth City, NC, and works in the NC Prison System close-by. He is great at airfield upkeep, and has good ideas for improving our facilities. He is part-time, however he accomplishes so much when he is not at work at the prison. He is enrolled in A&P mechanics school at Craven Community College close-by and will be starting classes in August.

YOUR MISSIONARIES TO THE UTTERMOST PARTS THROUGH MISSIONARY AVIATION

Our flight simulator is back up now! Thanks to generous donations from two families and some research for best solutions. We had sort of taken the simulator for granted after many years of faithful operation. We used it for 1,247 hours of training and currency in instrument flying. When it "crashed", we realized what a blessing it was to us.

We have been busy with aircraft maintenance, flight instructing, airfield upkeep, and equipment maintenance. So, we can really thank the Lord for providing Bro Earl's extra help. We are still praying for a full time member on M A Staff here.

Another blessing is the Truex family that have started coming to Calvary Baptist Church here. We met Carrie at Food Lion where she works, witnessed to her and gave her a couple of Gospel tracts. She said that they had moved to New Bern and were looking for a church. When we told her about our church she said " That's the kind of church we attended before, and is what we are looking for and we will come visit. She and her husband Terry did come and they really like Calvary Baptist. It sure pays to meet folks and give out the Gospel Tracts.

PRAYER REQUESTS > Please pray for a dear missionary family that had to leave a primitive field location due to a traumatic experience. For safety they had to leave the field, and are presently undergoing counseling here in the United States, and I feel reassessment of ministry in that country. > Please pray that the Lord will send us the man of His choosing; one that God could one day use to assume the leadership of Mission Aero. We must depend on Him as this is His ministry. > Please continue to pray for our neighbors and friends... for Brad and Elaine, for Bill and Rosie, for Bob and Alana, for Frank and Carol, Gary and Kay, and for John and Beth. for their salvation... and for other neighbors, family and business acquaintances as well.

KEEP LOOKING UP! PRAY FOR SOULS TODAY!

Under HIS' Wings,
