WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

missionaero7@gmail.com

Dear Co-laborers in Christ,

June-August 2019

"Seeing there are many things that increase vanity, what is man the better?"  
Ecclesiastes 6:11

God has so blessed all of us for many years in this material age. We must surely balance between the material and spiritual appetites of the times. I am now the age when reality barges through the door and says "It is time to 'lighten the load' of my material possessions." I will never in my lifetime wear out the clothing that I own, build the model airplanes in my closet, etc., etc. Nothing wrong with accumulation, but the time comes when most of it must go. Praise the Lord, all of the spiritual will be sent ahead and will never be left, and all we will ever need materially is being prepared for us now, and so shall we ever be with the Lord!

One great happening to report to you from here in New Bern, NC. A retired USAF Colonel Jack, a dear friend of Pastor Wingard and myself was recently saved! I would like to share a part of the proceedings: We have been witnessing and praying for him for a year or more. A few months ago, Bro Seth Canady & I were at the airport where Col. Jack operates the FBO, general aviation terminal. We were doing some flight training and had just started the airplane to taxi out for takeoff. Our song leader, Bro Ron walked out of the FBO and waved to us. I motioned for him to come and go with us, and he gladly did so. As he was getting into the airplane, I saw a paper from Bro Ron's shirt pocket fly away from the airplane. He was going to go after it, but I said not to worry about it. After he buckled up, I told the men to pray with me..."Lord, you know that was a Gospel tract that flew away, so we ask you to direct it to someone that will take it, read it, and possibly be saved." About a week later, I stuck my head in Col Jack's office to say hello, and he asked me to come in, and remarked "I want to show you something!" He opened his wallet and pulled out a folded Gospel tract titled... "Someday You Will Stand Before GOD". He said that a few days ago he left the office and walked to his vehicle, and on the ground face up looking at him was that same Gospel tract that had departed days earlier from the aircraft, going in the opposite direction. I was pleasantly spellbound as he exclaimed "I believe that God sent me this, and I will keep it, and not discard it! He carefully placed it back into his wallet. You better believe I shared with him the 'rest of the story' of that tracts journey to him and told of our prayer! Now he was more amazed, and that convinced him even more firmly that God had sent it personally to his feet! Not too long after that he stopped by the church to talk to Pastor Wingard about

"getting things right with God", and he did so! What a wonderful blessing to have a part in, and see God get a man's attention, convict him, and save him!

Busy is always in the atmosphere here at Canaan Airbase. I will try to keep the technical/mechanical part on low key. Annual aircraft inspections, refurbishing engine cowlings, maintenance on an autopilot, landing gear, interior items, ELTs, fuel tank cleaning, placards, seals and gaskets, etc., etc., and not to mention pickups, tractors, weed-eaters, mower decks, etc., etc., so we have also been kept busy with airfield upkeep as well as aircraft maintenance. Did I mention Flight training, and computer problems? Time flies when you are busy!

I praise the Lord that I am relatively healthy, and my wife Jonnie is also, and we are still able to serve here at Mission Aero. Bro Aaron DeVenuta, the missionary planning for the Cameroon, has taken another better aviation technician job and will probably delay flight training as he is able to work in a gold-mine of aircraft maintenance experience. He was in Oshkosh, WI, and it was great to meet him in person.

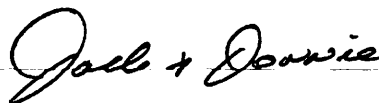

***POLE SHED UPDATE: Praise the Lord! We are pleased to report that the funds for the 30 x 36 foot pole shed are now on hand, and that we plan to begin construction in September with a pre-ordered kit from Builders Discount Center. Praise the LORD, HE is so good! Anyone interested in helping for a day or so? Give me a ring at 252-671-7951.***

We love you, and appreciate your faithful prayers and support for us.

Continue to pray for the other souls that are on our hearts, as we have one eye on the field white unto harvest, and the other eye on the clouds... Even so come Lord Jesus!

So Keep Looking Up!

Under HIS' Wings,

A handwritten signature in cursive script that reads "Jack + Jonnie". The signature is written in black ink and is positioned to the right of the typed name "Under HIS' Wings,".
