WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

missionaero7@gmail.com

Dear Co-laborers in Christ,

August-October 2020

A warm hello from Mission Aero in the matchless name of our Lord Jesus Christ!

What a different year this has been for the saints of God! Covid-19 came on the scene with a vengeance! Many of us are not attending services in person due to health issues increasing risk; many around the nation are not in church due to various regulations and shutdowns, and attendance restrictions. Some others may attend after questioning and temperature checks, masks, hand sanitation, social distancing with roped off pews, not using the song books, etc, etc. Some do have the advantage of watching streaming video of their services on Utube or Roko, as we have here at Calvary Baptist Church in New Bern, NC. Praise the Lord we can see them, even when they can't see us. Fellowship and ministry is suffering also... no visitation, no jail ministry, no hospital visits, and no nursing home ministry. We can identify with 2 Tim 3:1 " *This know also, that in the last days perilous times shall come.*" Can 2020 get any worse? The National Presidential election is upon us, and that is a real concern that could bring things maybe a lot worse than the China-virus pandemic. These are concerning days, yet prayerful days for us and for you dear folks! Revival is what we truly need! We don't know what the future holds, but we know who holds the future!!!

Our LORD will take care of us... He has promised to never leave us or forsake us. In spite of false prophets, fake news, and troublesome times Paul admonished Timothy concerning trials that would come and could cause him to fear, or doubt. Assuring him that God would comfort him; and today we can also find comfort as well if things decay, that we can also depend on this truth, " *Nevertheless the foundation of God standeth sure, having this seal, The Lord knoweth them that are His.*"

*NEWS: >The Aaron DeVenuta family as purchased a fix-it up house that has a bit more fix-it than they anticipated, but it is still a bargain and a blessing! It will be much better than living in a motor home with a family of eight! This family is a real blessing to us and to Calvary Baptist Church! They will be here for approximately four years for flight training for The Cameroon, West Africa.*

*> There is no shutdown at Mission Aero as we are busy, social distancing as needed, and masks when needed. We have worked on three aircraft recently, two for annual inspections, and two of them received new LED taxi and landing lights... Wow "let there be light took on new meaning,,, they sure are BRIGHT!"*

<<< OVER PLEASE >>>

YOUR MISSIONARIES TO THE UTTERMOST PARTS THROUGH MISSIONARY AVIATION

> One airplane from Mission Air Care has received a mandated replacement of the Stabilator Control Cables due to age and some corrosion issues. One of our aircraft is now getting those same cables replaced. > A project we have going is the repair of our alarm system in the main hangar. We replaced the control board, but we may have to replace the main board in the alarm unit. Also needed is a new outdoor Alarm Horn, as well as adding two indoor security cameras.

*Let's all pray, pray, and pray together... for our beloved country; protection for our leaders, our churches, and for a fair election and outcome! We might be beginning to know the outcome when you are reading this next week. We believe that this election could signal an end of America as we know it! It could also signal the beginning of God's Judgment on this nation. Let's continue to ask the Lord for mercy for four more years if His judgment is not due. If Judgment is about to fall that could signal the return of our Lord Jesus Christ to take His' bride away, before He puts His strong right hand on the United States and the rest of the world. Now would not that would be reason to shout and praise the Lord!*

*Lets continue to witness, pass out tracts, and make phone calls while we cannot visit. Let's encourage each other as we keep looking up, and keep on keeping on till the shout!*

*"Nevertheless the foundation of God standeth sure, having this seal, The Lord knoweth them that are His".*

Under HIS' Wings,

*Jail + Donnie*
