

Merry Christmas

From the Hunts and Mission Aeroservices 2021

Christmas Greetings from the home of the Hunts as we Celebrate His first coming, and anxiously await His Second Coming!

What a blessed season is this Christmas season! With all the Covid problems with its wicked family of viruses; world powers flexing their muscles; our own government without enough common sense to grasp that an open border has and will cause irreparable damage and suffering to we, the American people. Not to mention all the social sins, the breakup of the home and families, and all their blindness that cannot tell the difference between a male or a female child, intentionally introducing gender confusion. God help us! Truly, in this day we can surely believe in the total depravity of man spoken of in the first chapter of the Book of Romans. This is that day, and our Bible says that when you see these things look-up for your Redemption draweth nigh!

As we celebrate His coming to this sin cursed world as a helpless human baby, to redeem us from the penalty and finality of dying a sinner without hope. Jesus Christ came to save us, He rose again to secure eternal life for all who will receive His free gift of salvation. My, do we have a wonderful story to tell to the nations, and then we can keep our eye on the eastern sky for His promised return! Even so come Lord Jesus, is our prayer!

As we watch and wait for our Lord's return with one eye toward Heaven, let's keep our other eye on "the fields that are white unto harvest"!

"Lord, lay some soul upon my heart, and love that soul through me... and may I 'humbly do my best to win that soul to Thee". Do you have a lost someone on your heart today?

We are so appreciative of your faithful prayers and support over the last year, and for some it has been 46 years of faithful support for this ministry God called us to in 1973... What a privilege to serve the Lord in the field of missionary aviation, and namely with Mission Aeroservices. You dear folks are and have been such a great blessing to us and through us winging the Gospel 'to the uttermost parts'. May our Lord richly bless you this Christmas and then give you a most fruitful New Year is our earnest prayer!

*Keep Looking Up!
Under HIS Wings,
Jack + Bonnie*
