

Merry Christmas

From the Hunts and Mission Aeroservices 2022

Dear Co-Laborers in Christ,

"Thanks be to God for his unspeakable gift". 2 Corinthians 9:15

It is evident by this scripture that although being so thankful, we will still be at we a 'loss for words' to describe the awesomeness of Immanuel... God with us... The Creator of the universe that laid aside his glory, limited himself to a human body, became the sacrificial Lamb to pay our sin debt. He freely gives salvation to all who believe and call upon Him, becomes our Savior, and gladly receives us into His family! He is our Great Shepherd, and our High Priest. We so love this wonderful season of the year when there is a special emphasis on the birth of our Lord Jesus Christ!

It is with heartfelt gratitude that we send out these prayer letters to you dear faithful folks who pray for us, and enable us to serve our Lord here at Mission Aero. We just a couple of months ago humbly celebrated our 49th year in missions! To God be the Glory! Wishing you and yours a Wonderful Christmas and most fruitful New Year!

Prayer Requests: > Please pray for unsaved family members, friends, and neighbors on our hearts that we witness to, and pray for regularly. > As we are aging and thanking God for a good measure of health, with no serious health issues, we do realize that our bodies are wearing out, and we are getting to be more like 'sprung chickens than 'spring chickens'. > Let's pray together for these United States... We surely need the Lord to work in us and through us in these difficult days... these perilous times. > "Wilt thou not revive us again?" > Pray for America's to have true revival attitudes... we so need it in our churches. It seems that there is a falling away today... many churches have become "woke" churches. We have lost two supporting churches this year that have gone that detrimental way... leaving the KJV, the Christ honoring music and hymns; coming to church so casually dressed, etc, etc.

Not to leave with any perceived negativity... We celebrate Christmas because Jesus Christ came, Amen! However, we can also celebrate His promise to come again! We just feel we are rapidly approaching that day... Even so come Lord Jesus is our prayer! Keep Looking Up!

Under HIS' Wings, *Jack and Jonnie*

"You can never truly enjoy Christmas until you can look up into the Father's face and tell him that you have received his Christmas gift".
