

Matthew 1:21 And she shall bring forth a son, and thou shalt call his name JESUS: for he shall save his people from their sins.

December 2011

Dear Friends and Co-laborers,

At this time of remembering the birth of our Lord Jesus Christ, we send you greetings from Greenville, SC.

It is almost inconceivable that another year is almost gone. The time seems so short, yet the blessings and memories of 2011 are abundant. It is a great blessing just to have the honor of serving our Lord for another year.

We want to thank Him for giving us a good measure of health. We want to thank our Lord for the many precious friends and brothers and sisters that He has privileged us to co-labor with in His easy yoke. You folks are so very precious to us.

We want to thank our Lord for blessing the work of Lighthouse Baptist Church more abundantly than we could imagine. He has added to the number of the church. He has saved some souls, and some have followed Him in believer's baptism. He has provided financially through His faithful folks. Our Lord has also blessed with a faithful missionary family to keep the work going, and to faithfully stand for the old-time faith with love and compassion for the people. This is an answered prayer for many years. Please pray for and support in any way possible the Quinlan family.

Thank you for the many prayers and for the material support that you have provided on our behalf this year, and many previous years. Your continued prayer would be greatly appreciated as we make our plans for a return to the island of Guam in the coming year. There many decisions and needs that will be involved in the new work. Please pray for the Lord to lead us every step, and to grant His power and wisdom to reach the precious people of southern Guam. Your prayers would be appreciated as we continue our travel to report what the Lord has done already on Guam.

It is our prayer for you folks that the meaning and importance of this Christmas season will be real to you, and that remembering will bless and encourage you. As the families come together, we pray the Lord to make His presence known to you in a very real way. We love you and appreciate all that you have done for this ministry.

Because of Christ,
