February 2013

Dear Lifeline Holders,

We send you greetings from the Island of Guam in the precious name of Jesus Christ.

I am reminded of the statement that Paul the apostle made to the church at Philippi. He stated that he thanked God "upon every remembrance of you." He also stated that he prayed for them with joy.

Our family experienced that gratitude for your friendship and prayers in December. As you recall our son, Glen, developed a ruptured brain aneurism and our call went out to you for prayer. Many folks were praying and God answered in a marvelous way. Glen not only survived eight hours of surgical procedures, but the problem was fixed and in a much shorter time that expected he was up and about and even saw us off at the airport when we returned to Guam. From the depth of our hearts, thank you for those prayers and for standing with us in this work. We give God the glory for His miraculous power and His great compassion. Christian friends make this old troubled world seem more like Heaven.

Thank you also for your prayer and support for the Gospel Light Baptist Church here in Merizo. This is the name that we have prayerfully assigned to this work. We long for the day when we can report that it is finally established as an indigenous fundamental Baptist Church. Until then we keep on keeping on in prayer, sowing and watering and waiting on the Church Builder, Jesus Christ, to raise a work in this Catholic community for His glory.

The Lord is blessing with some folks. It has been a while since our attenders was just Ma and Me. We were blessed with the Quinlan family visiting with us recently. It made a big difference in our music and in the attendance. How we thank God for this family and for the work God is doing through them. It is a special blessing that almost all of our attenders are Chamorro.

We would appreciate your prayers for some needs for the work and the people:

**Please pray** for the salvation of some of the folks that are attending the services- Mariam, Vicente, Santos family, E.J., Paul.

**Please pray** that we can get an electronic piano. I have priced them here on island and it will cost about \$2,000.00. Any contributions could be sent to World Wide New Testament Missions at the address above and designated for Gospel Light Baptist Church, Merizo Guam piano fund.

**Please pray** for the Bill Henderson family as they make their **survey trip** this month and for their **deputation**. They are desperately needed here.

**Please pray** for the upcoming missions conference at Lighthouse Baptist Church. Feb: 24-27.

Thank you again for your prayers and faithful support and the privilege of serving with you.

Because of Christ,

*Elwood & Doris Hurst*
