December 2014

Dear Faithful Friends and Lifeline Holders,

We send you a special greeting from the little dot that separates the beautiful "Blue Pacific Ocean" and the Philippine Sea.

Even on this little dot, we do still celebrate and remember that blessed event that took place in a small town many years ago, in which God put Himself in flesh to redeem sinful flesh. What love, what sacrifice to redeem sinners like us! It is all because of God's amazing grace for "where sin abounded grace DOES much more abound."

As we look back on the year 2014, we can still attest to the fact that His grace does still abound.

- God's grace has abounded through His work in the hearts of the people of Guam.
- God's grace has abounded in saving some souls.
- God's grace has abounded through the labor of an old missionary family and given strength.
- God's grace has abounded through the trials of ministry.
- God's grace has abounded though the health issues that we faced.
- God's grace has abounded through the failures of an old missionary.
- God's grace has abounded through the faithful friends like you who have prayed and supported us with your friendship and your finances.

For this abounding grace, we give God the glory! With all our hearts, we thank Him for loving us so much.

For your faithful friendship and support, we cannot find the words that would truly express our gratitude, but the best we can do is say THANK YOU from the depth of our hearts and renew our commitment to faithfully serve our Lord here to the best of our ability and remain faithful in stewardship of your support

The work of Gospel Light Baptist Church is still going on. We are very few in number, but the ones that are here seem to be growing in the Lord. We are still seeking more to turn from a dead religion to the precious Gospel of Jesus Christ. We thank God for the ones that have turned, and we pray that they will always faithfully serve our Lord.

We pray that the Lord we are honoring this season will bless you abundantly this Christmas and continue those blessings through the New Year.

Thank you again for your faithful friendship and for allowing us to join with you in reaching the souls of Guam.

We love and appreciate you and pray for you.

Because of Christ,

*Elwood and Doris Hurst*
