February 11, 2017

Dear praying friends,

I pray that this finds each of you in the midst of God's richest blessings and the Lord Jesus Christ real in your heart.

God is so merciful, full of grace, and love. We thank Him for His faithful care and provision for us.

Well, here it is well on the way into 2017. There is a great deal happening in our nation, but I thank God that He is still on the throne and has not changed, never made an error nor will He ever. We awake in the mornings, and most of the time there has been some changes in our government and the world, but God is still the same. Praise His dear Name.

God has blessed in allowing us to visit and report to some of our churches. We have been blessed in the meetings, and we sincerely appreciate the opportunity to report what the Lord has done through our ministry in Guam. We have some meetings planned shortly and one as far out as April. If any would like to schedule a meeting with us, please give us a call at the above telephone number. I will be calling you also. We are so thankful to you who stand by us and pray for us. The longer we serve, the more thankful we are for those who send us, pray and provide for us.

We still have the doctor appointments. As far as we know now, Doris' physical therapy will finish on February 17. Until the present time, we have stayed relatively close to home. We are ready now to reach out farther and look forward with pleasure to the time we can see all of you. The Alzheimer's still heavily affects Doris, but she enjoys riding and seeing the scenery. We also look forward to some visits with relatives.

It is encouraging to hear from the Hendersons that they are having some visitors in the services and making new contacts. Please pray for the ones that are facing issues in their lives that God will save the lost and strengthen the weak. We are so very thankful for the Quinlans and the Hendersons that stand in the work and have a real burden for the people of Guam.

PRAYER NEEDS:

1. Please pray for us that God would open doors and give us continued measure of health to be more useful in His service.
2. Please pray for our grandson who is now in Iraq in the Army. Please include all our service personnel.
3. Please pray for Doris' health.
4. Please pray for Sean Quinlan that God would strengthen his back and health in general and for Lighthouse Baptist Church.
5. Please pray for the Henderson family and Gospel Light Baptist Church.
6. Please pray for our safety in travel and for the Lord's leading.

We sincerely love and appreciate each of you and look forward to the time we will meet again. It is a blessing and an honor to serve with you.

Because of Christ,

Elwood and Doris Hurst
