Ps 146:2 While I live will I praise the LORD: I will sing praises unto my God while I have any being.

Dear Precious Friends, Family and Lifeline Holders,

April 2018

It is a blessing to once again report to you who pray and stand with us how the Lord is still allowing these old folks the opportunity to do what we can for His glory. We are thankful to you and our blessed Lord for the time and strength that He affords for us to do what we can for His glory. This month will mark the eighty-second year of life for which God has blessed this old missionary. How we thank God for His mercy and grace. God in His amazing grace and longsuffering allowed this old sinner to be saved at the age of thirty years. Were it not for His amazing grace and longsuffering I would be in the pits of hell today. There is not enough time nor the ability to touch the debt of gratitude owed to God and His Son for all that He has done.

We also want to thank God for you, our dear friends, brothers and sisters in Christ Jesus and family for your friendship and support. It is a daily item in our prayers to thank God for you. You are one of the precious gifts of His love.

God has blessed us with some open doors since our last report. We have had meetings in Virginia, North Carolina, and South Carolina. We have some meetings scheduled in the coming months. We are thankful for the open doors and for God's mercy that sustains our strength and a measure of health for Doris to travel. Traveling is one of her few favorite activities. We have not heard one word of complaint from her concerning the traveling. We are thankful for the kindness and the assistance, sometimes needed, during the meetings.

Your continued prayers would be greatly appreciated for the Lord to sustain us that we can be used of Him to be a blessing. We long to see more laborers headed to the fields of harvest. If we can be of any assistance in your churches along that line, please give us the blessing of allowing us to do so.

Please continue in prayer for Brother Sean Quinlan that the doctors can find a solution to his medical needs. The work at Lighthouse is going well. Also, please pray for the Henderson family at Gospel Light in Merizo, especially for Bill's shoulder. The work is going well there. We thank God for how He is saving souls and increasing the numbers. Please pray for God to provide for the Hendersons' need of a vehicle.

We close this letter and again say a heartfelt, "THANK YOU" for your prayers and support and the blessing of serving with you in the Lord's vineyard. Please be assured of our prayers for you also. We love and appreciate you ALL.

Because of Christ,

*Elwood and Doris Hurst*
