

Stephen & Charity Jenney

Church Planting in Southern California
Aug 17, 2018

Dear Friends and Partners in ministry,

We are continually blessed by your support and encouragement! We have had a busy summer with meetings in the Carolinas and Georgia before we made our way up to the Midwest to present our ministry in Illinois and Michigan.

On our way to North Carolina, we stopped in Maryland near Washington DC to spend some time with the Larabees. We enjoyed their fellowship and a tour of D.C. Charity had last seen them when she was with them in Brazil. In the beginning of June, we had a wonderful missions conference in Kinston, NC. Our hearts were uplifted at this conference and praise the Lord that they were willing and able to take us on for monthly support.

We are thankful for family and friends willing to take us in while we are traveling. In between meetings, we were blessed to stay with close friends in Kings Mountain, NC where we visited a church that also committed to take us on for monthly support which puts us around 32%. On our way to a meeting in Jonesboro, GA, we were able to enjoy fellowship with friends we met back in January. We are so thankful for the people God has allowed us to get to know during deputation. In Georgia, I had the opportunity to preach in one of our supporting churches.

After a quick meeting in South Carolina, we made our way up to Michigan and used my mother's house as a home base for a couple of weeks while we made two trips into Illinois for a great time of meetings. While at a meeting in Michigan, Judson was able to sit in a race car. I'm not sure how long he would have stayed in the driver's seat had we not made him get out!

Back home, I had the opportunity to preach at our home church. It is always a blessing to spend time with our church family. We cannot say enough about how much their love and support means to us. This month, we had a wonderful time with Charity's family as we all went camping. Even though it rained every day but the last, we had a lot of fun. We met a 16 year old boy named Emmanuel who claimed that he does not believe in Jesus (kind of ironic considering his name). He spent a lot of time hanging out at our campsite watching his little brother. Please pray that we were a positive influence on him, his sister, little brother and whole family and that our witness to him will move him to see a difference and to accept Christ as his Savior.

The rest of this month our focus is on preparing to move. It has been more work than I imagined trying to get things cleaned out and sorted. It can be difficult trying to figure out what to keep and what to discard. We are trying to narrow down our belongings to what we can fit in the van when I drive it to New Mexico. Please pray for wisdom, peace and a smooth transition. We do not know what all the future holds, but how very good it is to walk with the One Who knows it all. Thank you for praying and for your faithfulness to seek the lost together! May we all be careful not to miss opportunities to share the Good News of our Great Physician!

Gratefully Yours,
Stephen, Charity, Judson, Samuel and Noah Jenney

We will soon be without a home address for a while; please refer to our email, home church or mission board if anyone wants to send anything.
