Jan-Feb 2006

Dear Praying Friends,

We praise the Lord for allowing us to enter another year in the new millennium. All that has been accomplished for the Lord in the ministries here would not have been possible without the Lord and a host of faithful prayer partners and supporters like you. We are excited about what the Lord has in store for us in the new year. Our prayer is that we will be **“in the way”** of availability and dependability so the Lord can lead us.

Two of the young people at our High School Bible Study verbally expressed their deep interest in the Word of God and asked us continue the ministry. We are averaging 50 to 60 students in our Bible study. **Please remember also** the new village ministry that Pastor Clayton and I have been carrying on. I had mentioned that the people are Roman Catholics and they have asked us to come another day instead of Thursday because many of their relatives attend the mass on Thursday. They said that a change of schedule will allow more of the villagers to attend.

Last week we held a three-day revival in our Christian School and several students raised their hands for salvation. Many more raised their hands for rededication. Pray for me as I follow-up and counsel them. Our Mission's president and veteran missionary Dalton Heath will be paying us a visit to check up on the ministries and interview some of our national pastors.

We are over-excited about our upcoming trip in May to see our daughter Terisa graduate from BJU-Greenville SC. **Please Pray** that both my wife and I can raise the needed amount for our airline tickets. One round-trip ticket to the east coast from here costs **\$2,195.00**. We need your prayers on the tickets as well as **a car** to use while we are in the states. Our younger daughter will be staying with a “mean” auntie while we are gone.

THANK YOU VERY MUCH for the precious and wonderful cards and your special gifts. May the Lord richly bless and prosper your lives and families this year!!!
