WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

Po Box 725, Kings Mountain, NC 28086

Oct-Dec 2026

Field Address: Box2153

Pohnpei, FSM 96941

DEAR FAITHFUL INTERCESSORS AND CO-LABORERS,

I have had my share of Medical Referrals in my seventy-plus years now. Please do not write me off yet. I am still walking, preaching, witnessing, and serving the Lord. I just arrived home in Pohnpei on Wednesday from Guam, where I was medically referred to back in June. While on Guam, I usually stay at one of Harvest Baptist Church staff apartments, but this time I was able to stay with my niece and her family. While waiting for my eye procedure appointment, I also had the privilege to preach at Bethel Baptist Church in Dededo, Guam, and a small church that my nephew-in-law pastors, also in Dededo, Guam.

One of my honors and privileges that I cherish every time on Guam was to speak to the Micronesian Bible College students at HBBC (HBBI before). The main goal of the college is to prepare the future spiritual leaders, graduate them, and send them back to their home islands to preach the saving Gospel of Jesus Christ and serve the Lord in the Fundamental, Bible-believing, Soulwinning Churches that sent them. Now there are three Christian Schools in Micronesia— the newest one is in Yap, where the Zimmer brothers served as missionary pastors. Calvary Baptist in Pohnpei started the first Christian School under Pastor Isamo Welles in 1979. The other Christian School is MBCA or Majuro Baptist Christian Academy in the Marshall Islands. Please pray for needed Christian School Teachers. For Calvary Christian Academy, we are looking for a Principal. I talked to some HBBC Seniors and shared with them about the needs. Pray for two families from Pohnpei who are serving at the Harvest Ministries and are planning to return to Pohnpei to minister.

THANK YOU FOR YOUR PRAYERS The Opthamologist on Guam found out, after several eye examinations, that the invasive eye surgery would cause undue pressure on my heart, me, being a heart patient, so he recommended that I have a thorough heart check up and then contact him about the result.

THANK YOU AGAIN for your love, prayers, and Support for The Joels ministry for the past 46 years. May the Lord Bless You all as you celebrate the upcoming Thanksgiving Season...Phil.4:6 (paraphrased) *“Worry about Nothing, Pray about Everything!”*
