SICILY UPDATE

JUNE 2003

Dear Co-Labours,

We continue to press on, as Paul told us in Phil. 3:14: " I press toward the mark for the prize of the high calling of God in Christ Jesus." We continue to rejoice in the Lord. Phil 4:4 " Rejoice in the Lord alway; and again I say, Rejoice." We continue to preach the Word: Paul charges us in 2 Tim. 4:2-4 " be instant in season, out of season; reprove, rebuke, exhort with all longsuffering and doctrine. For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears; And they shall turn away their ears from the truth, and shall be turned unto fables." Let us be encouraged by the Word to **Press On** in the face of opposition and difficulty.

I mentioned in our last update letter that Bro. Paul Childers would be coming for a survey trip. he arrived in Italy May 15th. He is traveling all over Italy for a month, staying with different missionaries. He visited with us for a week (May 22 - 29). I showed him the everyday life of a missionary. One day, I took him to the other side of the island to visit with Bro. Sal Galioto. Please pray for Bro. Childers. he has a big event coming up in his life. July 19, 2003 he will be getting married to another student there at Crown College. They will finish their last year of Bible School together. (See attached picture)

It seems that sickness has overcome many of our people.

1. Sister Tina has low iron and is having to take shots daily.

2. Little Cristina is in the hospital with a serious mouth infection. Her mother, Giovanna also has low iron.
3. Giuseppe Ardizzone has a virus and running a high fever.
4. Graziella's problem is ongoing. The doctor postponed her surgery because of an allergy. Her blood pressure is very high also.
5. Linda has been suffering with her back again and having to take medicine for pain.
6. My visit to the doctor on the 26th of May went well. He took me off the Nitro Glycerin patch. we are still waiting for a call from the Hospital to do the Stress Test.

Pray for the TENT MEETING in Mazara del Vallo. Linda and I will be going over on Monday the 16th to help Bro. Galioto. We pray that souls will be saved.

We thank the Lord for your faithfulness. Continue to pray for us.

In Christ,
The Jordans
