

## Sicily Update

November 2004

Dear Praying Friends,

We greet you from the sunny, hot Island of Sicily. We arrived back here safe and on time after a slight delay in Greenville, SC, on the 19th of October. Sister Tina and her Aunt and Uncle met us at the airport and she prepared supper for us. After 10 months of American, the Italian food sure was good.

The month of October went by real fast for us. We visited our last two supporting churches on the 3rd and turned in the van in Greensboro, NC on the 4th. We spent about 2 weeks getting our things packed and stored and spending some quality time with the children and grand children. As I write this update, we are about to get settled back in here in Sicily.

We have a meeting scheduled on Friday night with Nino and Benedetto's families. Sunday night, we had a study in our home with the Portale family from the town of Paterno`.

We have started looking for a car. With gasoline costing about \$5.30 a gallon, we need something with a small engine or a diesel. We covet your prayers, that the Lord would help us find something economical and dependable. Sometimes I get tickled how the Italians think that all Americans are rich and they show us their most expensive cars first.

I was thinking about how many times in our work God leaves us in His waiting room for a long period of time. David said, "I waited patiently for the Lord; and he inclined unto me, and heard my cry." Have you ever noticed what people do in a waiting room? Abraham and Sarah made some mistakes while they were in God's waiting room. After Isaiah surrendered to go serve the Lord, he ask the question, "Lord, how long"? Then, I am wondering if God has put you in His waiting room and if He has, what are we asking Him? I am personally asking for someone to work with us here in Sicily. Linda and I have been praying two years now for help.

Until next month, God bless and keep each of you in His care.

In Christ,

The Jordans
