

The Jordans Missionaries in Italy

Dear Friends,

And the Pope died I am sure most of you there in the states already know this. The consensus here is that he surely went to heaven because he was a good man. it gives me the opportunity to explain that the new birth is necessary to go to heaven. Nevertheless, there was an out pouring of honor and respect for this pope that exceeded all of the Italians predications. There is already an out cry to make him a saint. In a few days, over 100 cardinals will decide who will be his successor. according to the Italians no one can fill the shoes of pope John Paul II. We believers know that God has a plan for the church of Rome in the last days. therefore, the next pope could play an even more important role in these last days.

The Internet World... We have been praying about when and how to jump into the world of navigators. A few days ago, an Italian told me he knew of a site that would do a page for free. In the past we had been offered a site for \$100.00 a month. Believing this free site was of the Lord's doings, we launched out around the 1st of April. We just need to let people know how to find it. If any of you there in the states know any Italians that can read Italian send them to the following address: www.fattocentro.it/lavialaveritalavita.htm Pray with us that God will us it for the salvation of many Italians.

Our featured person for the month is Sister Tina Sciuto. She has been having some health problems and having many test run. They found a fibroin tumor 2 years ago and it has begin to grow. She will be having an Ecografia (ultrasound) done this coming Friday. She would appreciate your prayers as she goes for these test Friday.

Prayer request:

- 1. Pray that the dollar will get stronger here in Europe because the prices of everything are going up everyday. At present we are paying \$7.40 a gallon for gas, and reports on the news are that prices will increase again by the end of the week.*
- 2. Pray that the truth of God's Word will open the hearts of many Italians and they might except the Lord as their Savior. With all that has been on TV the last 2 weeks they are asking many questions.*
- 3. Pray that the Lord of the harvest will call more labors to Italy. The need is great. We Need HELP!!!*

In Closing, we thank each of you for your encouraging emails, letters, cards, faithful prayers and monthly support. Until next month many God's richest blessings be with each of you.

*In Christ,
The Jordans*
