

Sicily Update

May 2006

Dear Friends,

Greetings from sunny Sicily. Here in Italy the government has changed hands again! There are a lot of questions about the future because the election showed that the country is almost evenly divided. No matter what happens to the government, we pray that the turmoil and uncertainties will turn men's hearts toward Christ.

Our Prodigal Son Nunzio Giustolisi was saved September 11, 1994 under the Tent in one of our meetings. He followed the Lord in baptism October 23, 1994. Then he began studying with us on a weekly discipleship program. Just as we thought that he was well grounded in the Word, Satan began to attack him with personal problems. He became overwhelmed with despair and slipped away from Church and the Lord. His wife Graziella would still come to Church as long as we would pick her up. The Lord began to deal with Nunzio but he would not listen. God got his attention in a severe way. About three months ago he had a heart attack. On April 31st, he called me and asked if he could spend the day with me and bring his family to Church that night. I am glad to report that he is back in Church, but it sure is sad that God has to deal with some so severely to get their attention.

Our Planned Visit To the States Linda and I will be in the States from May 17th to June 15th. We will be there for our granddaughter Cayla's high school graduation. Please pray for a safe trip and the Lord's blessings on us while we are there. We want to be used by the Lord wherever we go. **Numbers where we can be reached in the States** Our son Wes's phone number **(864) 271-3168** Our daughter Joni's number **(864) 235-6319**

Our Partners in Sicily The Deet's family have been approved by the Mission Board this past month. Now he tackles the task of deputation. They are expecting their second child in July. Bro. Dave told me that he has some meetings already scheduled. We ask you to please pray for them.

Our Precious Saviour I am sure that you all have heard many people say we are living in dark days, but they are looking at man's earthly problems. There is a difference for every believer. For us, there is no more darkness because the believers have exchanged our blind heart, for a believing heart. We laid aside many bad habits to live in the beauty of holiness. No more broken homes or broken promises with the Lord. We have a life of blessed happiness as we walk with HIM in the Light. "For God, who commanded the light to shine out of darkness, hath shined in our hearts, to give the light of the knowledge of the glory of God in the face of Jesus Christ."
There Is No More Darkness!
