Dear Praying Friends,

I suppose that most of you know that the Italians are crazy about soccer. This year was the play-off for the World Cup, where the teams from several countries came to Germany for a month to play for the Championship. Last night ITALY played France in the finals and won. These Italians went wild over their victory. They are tied with Brazil as 4-time champions. Needless to say, all of this has been a real distraction for the Church.

The Tent Meeting at Mazara del Vallo in June went well. **Brother Galioto reported that 3 precious souls were saved. Two of those have been baptized and seem to be growing.** We like to hear of people that have a hunger for the Word and the things of God. We were not able to be there for all of the services, but we are so thankful that the Lord allowed us to be a part of this Tent Meeting.

Last Thursday, I met a man by the name of Rosario at the Open Air Market. As we talked about his need of salvation, he told me the story of the conversion of two of his friends. He knows that he need the Lord, but keeps putting it off. He did accept a New Testament. Please pray with us for his salvation.

The last report from the Deets Family is that they have 8% of their support. Mrs. Kimberly is due this month and they are very excited. Pray that all goes well during her delivery. Bro. Galioto's wife, Janet is also due around the last week of July.

We are praying for the salvation of Filippo, Salvo, Mimo, Maurizio, and Luigi, trusting to see these dear men saved soon. Pino is growing slowly, but thank the Lord I am talking with him while he sells bread in the market. He is one of those that works 7 days a week to provide for his family.

The 16th of this month Linda and I will celebrate our 45th wedding anniversary and we are so thankful that the Lord has allowed us to spend most of these years here on the Mission Field serving HIM together.

Until next month please keep the Italians in your prayers.

In Christ,

Bro. Randall & Sister Linda Jordan
