

## Sicily Update October 2006

Dear Friends,

Dear Friends in Christ,

Let me share with you a thought. We all know that it is just wonderful to be saved and enjoy the journey this side of eternity.

Here are some of the things we realize that Jesus does for us along the way.

**He Makes The Dead - Live:** (Eph 2) Also, he gives us a seat in heavenly places, shows us the exceeding riches of his grace, and his kindness toward us.

**He Makes The Poor - Rich:** (II Cor 8:9) This really amazes me, that for our sakes he became poor, that through his poverty we might be rich. But 2 Cor 6:10 talks about having nothing, and yet possessing all things. A believer could easily get excited about that. I can remember as a boy the poor folks called my family poor, but glory to God not any more. We possess all things.

**He Makes The Weak - Strong:** (II Cor 12 : 10) It makes one very weak to suffer sickness, persecution, in necessities, or distress. But through all our sufferings we are made to know the power of Christ. Paul had such a great desire to know him and his power that he counted all his gain as loss. What an example of a servant of the Lord Jesus Christ.

Linda and I went to Mazara del Vallo on the 22nd of Sept. and came back on the 25th. We had a mini conference, with services Friday through Sunday evening. There was good attendance and a good spirit. We rejoice with Bro. Galioto about the new converts being faithful. Bro. Galioto wants us to come back once a month through December.

Paolo and Ignazio are 2 men that were saved under the Tent in July and they are faithfully attending the services and growing in the Lord.

We continue to work with the Italian Calvary Baptist Church as they go through a difficult time without a pastor. There are not any good candidates here in Italy. However, there are some good preachers, but pastoring is a different story. The attendance is good, but some are getting discouraged. Please keep this ministry in your prayers.

Please continue to pray for Sister Tina as she is still have some health problems.

Until next month we thank you for your faithful prayers and monthly financial support for the ministry.

In Christ,  
The Jordans
