

Sicily Update April 2007

Dear Friends,

Blessings come through sacrifice and suffering, but God said obedience is better than sacrifice. Then Paul said, that those that live Godly in Christ Jesus shall suffer persecution. Jesus told his disciples to follow him. As they took their eyes and thoughts off the world and material things, he made them fishers of men. After the Lord died and rose again, he told them to feed my sheep. What a blessing to have a Saviour who set an example for us. Then he said as my father hath sent me, even so send I you.

We had a good Easter even though our attendance was down because some of the people were out of town visiting relatives and friends. Praise the Lord the following Sunday they were back in their place worshipping the Lord together.

We have one family that drives over 30 miles round trip each Sunday. Brother Giuseppe Bertolino and his wife have even started bringing people with them. I have included a picture of him with his brother and family. Please pray for his brother, wife and daughter because they are not yet saved.

This is Giovanni, a man that I met a few weeks ago that is very open to the gospel and has been coming to the Sunday services for the past 3 weeks. He is listening to the preaching very closely and is asking questions, Please pray that he soon will accept the Lord as his Saviour. The man in the red and

white shirt is Giovanni. The other man is Giuseppe's brother.

We are so thankful for the open doors here in Mazara del Vallo. Please continue to pray that souls will be saved and men will see their need to win their own people to the Lord.

Until next month.

In Christ,
The Jordans
