

## The Jordans – Serving in Sicily July 2007 Update

Dear Friends,

(Psalm 67:1-2) “God be merciful unto us and bless us; and cause his face to shine upon us; Selah v.2 that thy way may be known upon earth, thy saving health among all nations.” We sure need His mercy, blessings, and face to shine upon us that we do not falter or fail to tell the world the way to heaven.

Bro Cologero and family visited with us June 30th. He is the interim Pastor at Chiesa Battista Calvario in Catania. We had a special service on Saturday night so the church family here could meet him and his family. He gave his testimony, preached God’s Word and his children sang some songs that the children had learned in the Vacation Bible School. We had a great service and good attendance for Saturday night.

Friday July 13th, while evangelizing in the Open Air Market in the town of Strasatti, along with Bro. Sudore, three young boys received tracts that we were giving out.

They begin to ask questions and I explained to them how Jesus paid our sin debt with his own blood on the cross, and that by simple faith in His finished work on the cross, they could be saved. As Romans 10:13 says, they called upon His name and asked the Lord to save their souls. Praise the Lord for these 3 precious young boys that changed their destiny. Please pray for Fabio, Simone, and

Also that day, near the market, we saw a statue of which they call “Padre Pio”. As people passed by, they would stop and kiss it as well as talk and pray to it. I began to ask them questions, of which many could not answer. The last person I talked to, I asked if she knew that God was a jealous God, and her reply was “NO”, he is not jealous. After telling her where to find it in the Bible, she still denied that God was jealous. The people here are so religious and do things by tradition and not by the TRUTH of God’s Word. Please pray that their eyes will be opened and accept the Lord before it is too late.

Friday July 27th the Sudore family parted for the States for furlough. They did not want to go now, but because of the dollar exchange being so low here in Europe, they had to return to raise more support. Please pray for them as they will be traveling many miles visiting Churches trying to raise additional support. We will surly miss them. Also continue to pray for the Galioto family that is also on furlough, but will be returning in December.

In closing, we thank each of you for your faithful prayers and financial support for the ministry here in Italy. Until next month, may God richly bless each of you.

In Christ,  
The Jordans
