

The Jordans – Serving in Sicily September 2007 Update

Dear Friends in Christ,

I Peter 4:17 says, For the time is come that judgment must begin at the house of God: and if it first begin at us, what shall the end be of them that obey not the gospel of God?" It has been said that the world has come into the Church, and the Church is asking why are all these things happening. It seems that the Church has lost it's fear of God's judgment, and stopped going into all the world and preaching the gospel. The power and presence of God is missing in many meetings. When people visit our Churches they see people attending, who do the same things they do during the week and they think they are fine. May God continue to have mercy on us, and shake us that we wake up and be the salt of the earth and the light that will show sinners the way to Jesus Christ.

September has been a busy month here on the island as vacation is over and school has begun. People are getting back to their normal daily routines and this makes it easier for us to contact them on a daily basis. We ask that you please continue to pray for Vito's salvation. He is coming to church faithfully with his wife Anna, listening to the Word preached, but still has not realized that he is lost. He has been trying for the past 5 months to get his pension started and finally the other day he received the notification that it would begin the 1st of October. He came over to the house as soon as he received it in the mail and wanted to let us know the good news. As I begin to tell him that this was an answer to the prayers of many Christians all over the world he got tears in his eyes. Keep praying that the Lord will speak to his heart and we will soon see him bow his knee and accept the Lord as his personal Saviour.

This is a picture of a couple that has been attending the services now for 2 months.

Their names are Gino and Fiorella Signorello

Fiorella is from Peru` and has been saved now 25 years. Gino is not saved. We ask that you please pray for his salvation as well as his health. He is in the hospital in Palermo at present because he had to undergo surgery on his legs for closed arteries. The doctors first thought that they would have to do a by-pass on the arteries in the left leg because the artery was closed completely, and the right one was closed 90%, but they were able to do angioplasty to free up the artery. He is real tenderhearted person and when we talked to him by phone he thank us for our prayers for him. We are praying that the Lord will use this for him to realize his need of the Saviour.

Last month we asked that you pray that Nino, Matteo and Fabio Pipitone, three brothers would be able to find work. Praise the Lord all three has gotten jobs now. The only problem is that they all three had to go out of town to find work. Nino went to London, Fabio and Matteo went to northern Italy. Pray especially for Nino that he will be able to find a good Church so he can continue to grow and find good fellowship among Christians. He is the one of two brothers that are saved.

Other prayer requests:

1. The exchange rate against the dollar. At present it cost us \$1.42 for every Euro we buy. This really hurts missionaries here in Europe. Not only the exchange rate, but prices are going up weekly on food, utilities and gas.
-

2. For the Galioto family on furlough. We will be returning the first week of December.
3. For the Sudore family on furlough. They began their furlough in August. At present we are filling in for both missionaries.
4. We will be applying for the renewal of our Soggiorno soon. This is our permission to remain in Italy for another 2 years. Please pray that there will be NO PROBLEMS in getting this permission.

Until next month,

Bro. Randall & Sis. Linda

In Christ,
