

## *The Jordan's Update for March 2009*

Dear Friends,

I have been out of touch for the past three months due to my heart surgery on December 18th in which the doctor had to do a Quadruple By-Pass. I went back to the Cardiologist a few days ago for a the three month check up in which he did the blood work and the results showed everything was within limits. The doctor has told me that I was doing fantastic. At this point, I must say, Praise the Lord, He did it all. I also want to thank each one of you who continues to pray for me. We sure had some care and concern about my condition but I am glad that his Word tells us to cast all our care upon him, for he careth for you. I still have another month of rehab to do, but by the end of April I should be ready for the road.

With the doctor's approval and most important is God's approval, Linda and I are going back to the Mission field. We were hoping to visit all of our supporting churches while on furlough, but due to my surgery and rehab program we will not be able to at this time. If any church or pastor would like more information you can contact me by phone or e-mail.

Until next month, we trust that the Lord will give you great Easter services and trust that many souls will be saved during this great holiday. We also want to thank you for your faithful monthly support and much needed prayers. We want to thank Trinity Baptist Church in Spartanburg, Sc and Orangeburg Baptist Tabernacle in Orangeburg, Sc for money that was sent to help on my medical expenses.

In Christ,  
The Jordans
