Dear Friends,

Greetings again as we wind down our furlough. This past year has been full of events. Some of them have been unpleasant, but thank God many have been a blessing. My heart problem prevented me to report to many churches and to see many friends and prayer warriors.

There is a verse in I Samuel 12:24 that expresses my thankfulness and desire to please our Lord. "Only fear the Lord, and serve him in truth with all your heart: for consider how great how great things he hath done for you."

I went back to the cardiologist yesterday and he gave me a very good report. Therefore, we will depart for Italy next Tuesday May 26th as scheduled. We ask you to pray that all goes well.

After I completed my Rehab, I was able to keep my schedule meetings. I deeply regret that I cannot get around to seeing everyone on this furlough. After we get established and get an address and phone number I will email that information on to you.

Please keep us in your prayers and pray that we have a safe trip.

*In Christ,
Bro. Randall & Sister Linda
Your missionaries to Italy*
