SICILY UPDATE FOR MARCH 2010

Dear friends,

We are enjoying many blessings from the Lord here at Calvary Baptist Church in Sicily. Our attendance is holding steady around 40 people on Sunday morning, even though we have some men that are going away for one to two weeks.

The registration of the Church is making steady progress. We installed fire extinguishers and exit signs before the Italian officials came to inspect our building. We also had to translate our Constitution into Italian. Our lawyer says that we should have the necessary documents for recognition after Easter.

As we anticipate our move to Mazara Del Vallo soon, we are setting up an apartment there. We never know how long we have to stay in any place. It is in the Lord's hands as He touches the people's hearts. We expect to complete our move by May, but that is only a guess. Linda and I have enjoyed working here with the Americans, but after a years away from the Italian ministry, we are anxious to get back to that work.

We will be sending out another update after Easter to tell you all about our Easter services. We trust that each of you have a wonderful Easter.

*In Christ,
Bro. Randall & Sis. Linda*
