Dear Friends in Christ,

Greetings from Sicily in Jesus precious name.

We want to bring you up to date on the happenings here in Mazara del Vallo. We have been distributing material in the Open Air Market weekly and now, we began the first week-end in June with a table on the Waterfront on Saturday and Sunday nights in which a lot of the material has been given out with good response. The month of August will be the vacation time for Europeans so we will need to have a lot of material on hand for this time of evangelizing. Last year when we did this we went through thousands of tracts, booklets and Bibles. At present we have ordered 200 Bibles which will cost about \$8.00 a Bible. We know that the Lord always provides for His work that HIS WORD will be distributed. Please pray we see great results during this time of Evangelizing.

Linda and I will be departing for the States Saturday morning June 18th and be returning July 23rd. There is a two-fold reason for the visit. First, June 20th I begin a complete Heart check-Up which will take a number of days to complete all tests. It's been over 3 years since my heart surgery and this will be the first check-up since the surgery. Second, Linda and I are celebrating our 50th Wedding anniversary July 16th and we plan to celebrate it with Family and Friends on the 9th of July. Our Church family here in Sicily insisted we go spend this time with our family. The Men of the Church will be taking care of the ministry in our absence. Please pray for Giuseppe Perez as he will be doing the preaching and Nino Pipitone will be in charge of the music. These 2 men will also be in charge of the Evangelizing on the Waterfront in our absence.

Our address in the States will be 130 Bryant Road Pelzer, SC 29669. Numbers where we can be reached by phone: our number 864.387.7063, our daughter Joni's number 864.947.9940 and our son Wes's number 864.442.6773.

I will send an Update on the results of the heart Check-up later in July. Please pray for a safe flight to the States.

In Christ,
The Jordans
