Serving with World Wide New Testament Baptist Missions in Italy

Dear Friends in Christ,

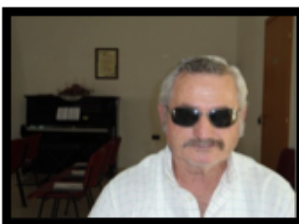

We greet you once again from the island of Sicily in Jesus precious. Much has happened since our last Newsletter so we will bring you up to date with a few of the happenings:

June 18th was the day that Randall celebrated his 72nd birthday. The Church family wanted to do something special for him so they made Homemade Pizza and all the trimmings and told us to meet them at the Church at 7:00 pm for a Special Meeting. We had a great time of fellowship and the Pizza was just outstanding.

June 24th Giovanni Battista Apollo suffered a stroke and due to the fact that the Hospital here in Mazara del Vallo has closed for repairs, he was taken to the hospital in Palermo, which is 1 ½ hours away by car. During the 4 weeks he was in the hospital we made many trips to the hospital to visit him. He was unable to feed himself so Linda and his sister-in-law Angela, would have to go feed him as well as bath him. Bro. Andrea and Angela Apollo are members of our Church so it was a blessing to be able to help them in this situation. Giovanni Battista is now home and has medical assistance that comes daily to bath, feed, and do therapy as well as medical treatment. He cannot speak clearly and cannot walk without assistance. Please keep him in your prayers. He is not saved and we are praying daily that he will come to a saving knowledge of Christ.

We asked prayer for the eye surgery for Bro. Andrea Apollo in our last Update. He was also sent to the Eye Hospital in Palermo for exams, surgery and treatment for his eyes. This also meant more trips to Palermo during the month of July. He had surgery to remove a type of gel that had formed behind the left eye retina which was caused from his Diabetics which had the loss of sight in that eye. Praise the Lord the surgery went well. Laser surgery also has to be done twice a month to remove scar tissue. We are trusting the Lord that his sight will return soon. Please keep Bro. Andrea in your prayers. Thank the Lord the Laser surgery is being done here in Mazara del Vallo.

June, July and August have been the months of our Waterfront Ministry which has gone well. Hundreds of people have been witnessed to during this time and we have seen some visit the Church services. As of yet, NO ONE has been saved that we know of, but much prayer is going up for each tract, Bible and booklet that has been distributed during this time. Help us pray that souls will come to know CHRIST as their Savior.

We also had the Arcidiacono family visit us for a week-end. Bro. Arcidiacono was the first person saved under the Tent in Catania back in 1990. This family was a blessing to our Church as Giuseppe gave his testimony of how the Lord saved him and how he thanks the Lord daily for the Churches in America sending the Jordan's to Italy as missionaries. He said if it had not been for the Tent being there in August of 1990 and using Brother Jordan to preach the truth, he doesn't know where he might be today. Thank God Giuseppe is still faithfully serving the Lord as well as his family. To God Be the Glory.

Linda and I would like to personally thank each of you for your faithful prayers and financial support for the ministry here in Sicily. As we co-labor to see souls saved and Christians grow in the grace and knowledge of our Lord and Savior, we will one day hear HIM say, "Well done, good and faithful servant; thou hast been faithful over a few things, I will make thee ruler over many things: enter thou into the joy of thy Lord."

May God richly bless each of you!
The Jordan's
